

DDA INTERFACE KIT

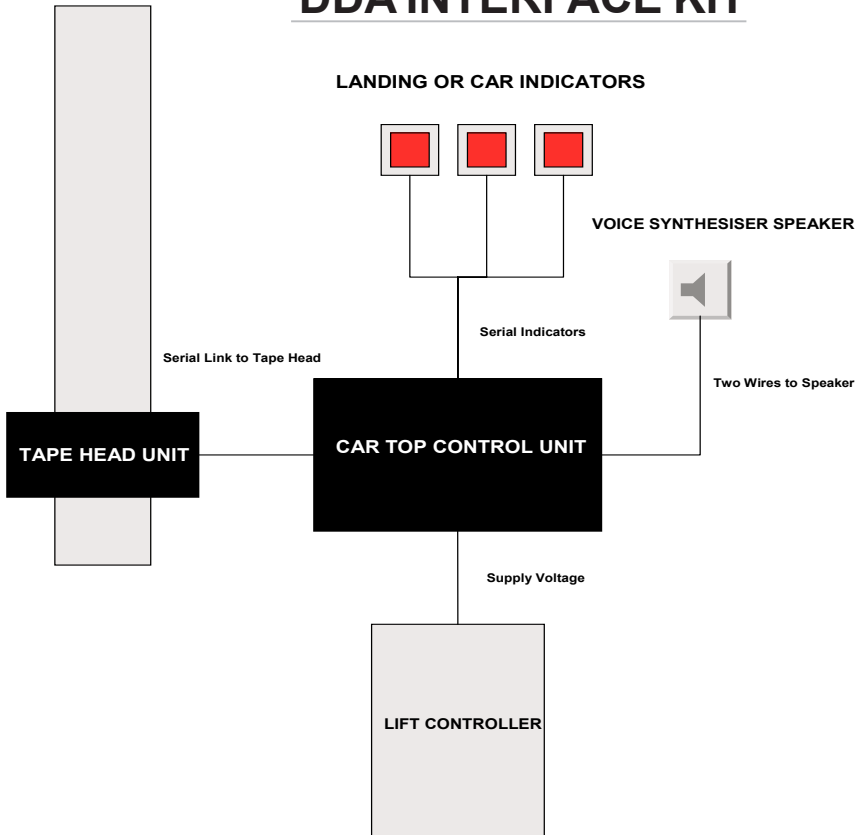

QTY	CODE		PRICE
1	DDA/IK/3	0 - 3 FLOORS	£
1	DDA/IK/4	4 - 5 FLOORS	£
1	DDA/IK/6	6 - 7 FLOORS	£
1	DDA/IK/8	8 - 10 FLOORS	£

This new DDA Interface Kit is designed to interface our DDA range. It has been developed to allow for the easy introduction of the voice synthesiser and indicators. Eliminating the need for any modifications to the lift control circuits

This is achieved by the installation of a tape head kit and car top connection unit to give the appropriate signals.
