

GL REMOVER

Citrus solvent based aerosol for glue and label removal

GL REMOVER has been specially formulated for a convenient, safe and efficient removal of label and sticker residues from a wide variety of surfaces. It also allows for quick and easy removal of the residue that can be left over from adhesive tapes.

ADVANTAGES

Natural citrus solvent based cleaner & degreaser.

Removes glue and label residues from metal and most plastic surfaces.

Ideally suited for all manufacturing, maintenance and workshop needs.

Versatile – one product for a multitude of applications. Will remove daily build-up of grease, inks and dirt residues

CO₂ propelled aerosol.

NSF K3 approval for use within the food and allied industries.

TYPICAL APPLICATIONS

- Manufacturing - removal of label adhesive and grease from machinery.
- Maintenance - removal of unwanted adhesive residues and inks.

APPLICATION INSTRUCTIONS

Note: check plastic compatibility on an inconspicuous area before use

1. Shake can well before use.
2. Spray onto the surface. Allow a distance of at least 15cm.
3. Allow a short contact time to penetrate and soften residues.
4. Agitate if required.
5. Wash off any residues with a suitable detergent. Return item into production area.
