

backlit keypad

AS-ATP2S200

Alpro's new fully sealed polycarbonate Piezo backlit braille keypad is easy to install and user friendly.

This keypad uses the same technology that is found in the existing Alpro vandal proof slim line keypad and provides the ultimate solution for high traffic access control, single door and stand-alone installations.

These vandal resistant keypads are suitable for up to 200 users with no moving parts and are manufactured to highest standards for external and internal use.
